Directions

The mailing address is 900 Clemson Rd. Columbia, but as with most GPS locations that is a little off from where you actually turn in, because they have recently re-done the intersection of Clemson Rd and Two Notch. If you get off I20 at Exit 80 and go North on Clemson Rd., after you cross the big cloverleaf intersection that goes over US 1, Two Notch Rd, the Sandhills driveway will be the very next red light. This is the same as light the entrance to the "Villages" shopping center. Take a right at that light and proceed straight ahead on the dirt drive to the Lakehouse. It will be about $\frac{3}{4}$ mile. The actual GPS address closest to the actual entry drive is 1024 Clemson Rd. There is a link to their website, below.
