

Southeast Governmental Fleet Managers Association

Promoting the Professional, Social, and Personal Interaction between
Members of the Fleet Management Profession

SGFMA is offering another **FREE** Training Class for our Membership

Direct Injection Drivability

Class ID: 86112(NAPA)

(To be successful with repairs to new cars and trucks the repair technicians must learn and understand this absolutely necessary diagnostic and procedural repair information.)

Goal: A professional NAPA Training Instructor will Equip technician with the ability to know what direct injection is and how it boosts fuel economy and decreases emissions. Technicians will also learn how to:

- Master diagnostics from the fuel tank through the high pressure fuel pump, pressure regulator , and injector
- Identify and service new direct injection systems
- Display the understanding of Piezo Electric fuel injectors
- Display an understanding of electronically controlled fuel pressure regulation and to diagnose fuel supply requirement deficiencies

April 11th, 2013

9:00 AM to 2:30 PM
